COMPOSITION

Water, Mono esters of edible fatty acids, calcium Chloride, Monosodium Phosphate, Linseed Oil, Mono Propylene Glycol, Yeast components

Analytical Constituents

Moisture: 63.9 %

Ash: 8.6%

Protein: 3.5%

Oil: 6.2%

Fibre: 0.9%

Availability

1 litre 2.5 litre

5 litre 20 litre

Ingredients	Quantity/Kilo
Vitamin A	1000000iu
Vitamin D3	2500000iu
Vitamin E	50000iu
Vitamin K (Menadione sodium bisulphite)	400mg
Vitamin B1 (Thiamine hydrochloride)	3000mg
Vitamin B2 (Riboflavin 5'- phosphate)	1000mg
Vitamin B6 (Pyridoxine hydrochloride)	1250mg
Vitamin B12 (Cyanocobalamin)	10000mcg
D-Panthenol	1250mg
Niacinamide	2750mg
Biotin	50mg
Vitamin C (Ascorbic Acid)	1500mg
Folic Acid	1250mg
Iodine (Potassium Iodide)	1000mg,
Selenium (sodium selenite)	500mg,
Cobalt (Cobalt Sulphate)	750mg,
Manganese (Manganese Sulphate)	3000mg,
Manganese (Manganese Chelate of Amino Acid Chelate)	1000mg,
Zinc (Zinc Sulphate)	4500mg,
Zinc (Zinc Chelate of Amino Acid Hydrate)	1500mg,
Iron (Ferrous Sulphate)	4500mg
Iron (Iron Chelate of Amino Acid Hydrate)	1500mg
Lysine Hydrochloride	2500mg,
Methionine	3500mg
Amino Acid Complex	2100mg
MPG	3%
Omega Fatty Acids	15%
