SINCE 1854

ANIMAL NUTRITIONISTS & VETERINARY SUPPLIERS

Established in 1854, Osmonds have been manufacturing and supplying quality animal health products for animals for over 160 years.

Osmonds continue to manufacture their bestselling premium Alpaca Colostrum Supplement, used and relied upon by many breeders to ensure young-stock get the best start in life. Please note our updated feeding instructions.

An Alpaca & Llama VITAMIN A, D3, E & B12 PASTE has been introduced to the range, designed specifically to help support Cria against the problems caused by vitamin deficiencies of A, D3 E & B12, along with the addition of Vitamin K. A specific fast acting liquid energy feed ALPACA INSTA-LIFE has also been introduced following customer feedback. Providing instant energy and nutritional support for the new-born / weak Cria. This fast acting and phased energy source also helps boost the Cria's intake of Colostrum derived immunoproteins and micro nutrients.

Please browse the brochure for Osmonds full range of quality products that you can trust and rely on.

If you have any questions regarding the Osmonds Alpaca & Llama range please feel free to contact us.
